**EXHAUSTED NAGS.**  
Guttenburg's Track Very Deep and Heavy and the Weather Fearful.

**TRINGLE WON THE THIRD.**  
Crown Prince, Jamestown, Hyatt and Bon Voyage Also Scored Victories.

**GUTTENBURG RACE TRACK, March 11.**—A description of the weather on the hilltop today can be summed up in the one word, "miserable."  
The rain was so fine as to be almost imperceptible, and the cold northeast wind drove it into the faces of the spectators, who were actually compelled to do so, and the red-hot stoves in the inclosed portion of the stand and the rush of the wind were the only things that were at a premium.  
The attendance was large, when one considers the weather and the not-over-attractive card.  
The track was very deep and heavy and the horses finished in every race exhausted over their struggle through the sticky mud.  
The opening event was, as usual, a maiden steeple, with its usual quantity of ripe, juicy good things ready to be cut.  
Tartarian was said to be the trick, so the smart ones got down with small bets. Charlie H. and Brookdale also had respectable showings.

The winner turned up in Crown Prince, a 7 to 1 shot. He won in a gallop, and will be remembered for the plunge that was made on him in his first start. A week ago, at the same track, at 12 to 1, he was second, and Charlie H. third.  
Credit, an even money shot in the second race, was the second favorite to go down. Jamestown took hold of him and ran him off his feet, winning a pretty race by a head. He could have won by several lengths. Jamestown was quoted at 8 to 1. L. C. W., a strong second choice, was third.  
A favorite won the third race, but as she was at 1 to 3 it didn't attract the talent much. Quotation, neither did it fill their pockets. Tringle led from start to finish and won easily.  
Woodchopper looked to have the place safe enough, but Donohue rushed Mayor B. at the end and just got the place.
